# Cancer Care Review Training in Primary Care

Coventry and Warwickshire ICB System Cancer Team would like to invite General Practice Nurses who will be undertaking Cancer Care Reviews to attend a 2 day training session.

## What is involved?

- An opportunity to enhance your knowledge, skills and confidence around Cancer as a long term condition
- Supporting training to provide Cancer Care Reviews (CCRs) to support people affected by cancer in your practice
- To be a resource to your practice colleagues and act as a catalyst for the practice to provide better support to cancer patients
- To improve your confidence and knowledge to signpost patients with cancer to appropriate resources

## Course Dates

Courses will take place on the following dates:

Monday 24th February 2025

**Time** - 9.15 - 16.15

Monday 3rd March 2025

**Time** - 9.15- 16.15

**Location** - Virtual
