

Sequence for doffing PPE when caring for residents who are CPE positive, colonised or infected.

For episodes of personal care

### Gloves

Remove gloves, grasp the outside of the cuff of the glove and peel off, holding the glove in the gloved hand, insert the finger underneath & peel off 2nd glove.

Perform hand hygiene

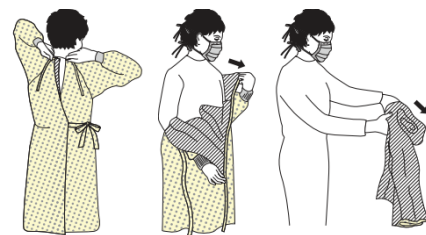

### Eye Protection

Remove visor if worn and place into the clinical waste.

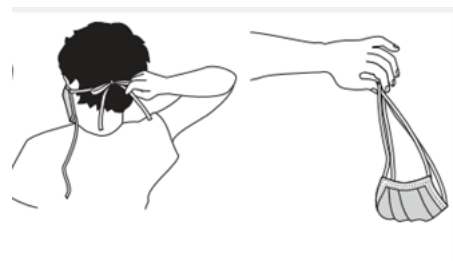

### Doff Gown (take off)

Unfasten ties, pull away from neck & shoulders, touching inside of gown only. Turn gown inside out, fold or roll into a bundle and dispose in clinical waste.

### Mask

Remove mask and dispose in clinical waste.

Perform hand hygiene
